The Pres^{t} of the Bangalore City Municipal Council requests to be informed as to whether any orders were passed by Govt on his letter No 1638/16 / 1903 re closing of the Sorrapelya Cemetery

For a note on this subject please see paras 169 of [illegible] index on confidential side from 1910. It will be seen therefrom that no further orders were issued as to the closing of the cemetery had been ordered in Govt. Notifn. No 3888/B. 21-968/19. 9. 1898. But the President states in his D.O. letter dated 20. 1. 1911 that the above notifn was ordered to be held in abeyance in Govt Secl Memo No 11759/Mis 31088 5. 3. 1901 until the work in the new Christian burial ground should be completed and intimation thereof given to the Chaplain.

It will be seen from the office note that the records relating to Genl. Adver: Secy's officers Nos 11759/Pers 31068/5-3 1901 [illegible] are not traceable. The register extracts put up by the General Records do not enable the office to find out under what circumstances & to what extent the Govt. Notifn. No. 3858/Pg. 21-96 dt 19-9-1898 was ordered to be held in abeyance.

Further, if the officials mentioned in above directed the cancellation of the Govt notifn 98, it is not clear why the President did not press for early orders of Govt. in the matter.

Submitted for orders.

17/3/11 Please ask the President to kindly send copies of the memo dated 5th March 1901 and [illegible] to state what action was taken thereon.

by the President, that what Govt intended in the G.S. & Rev. Secy's official memo dated 5.3.1901 was that the municipality should not give effect to the prohibition of burying in the old cemetery until the work of constructing the compound wall to the new burial ground was completed and intimation thereof was given to the chaplain. This the municipality itself could have done without any reference to Govt.

The President further states that certain improvements within the new burial ground have been suggested by the Chaplain of the All Saints' Church and that an estimate therefor is under preparation for submission to Govt. and that after the works are completed and the approval of the Chaplain is obtained permission of Govt will be sought for for formally closing the old cemetery near Gorepalya and for opening the new one for public use.

I suppose the Compound wall & verandy of the new Protestant Cemetery were built long ago. What objection is there to open the Cemetery for the use of the public? This need not be deferred for the sake of the additional improvements to be carried out in the way of opening roads, footpaths &c for which an estimate has been received. Immediate action should be taken to close the old Gorippalaya Cemetery & open the new Cemetery in communication with the Chaplain

Sir,

With reference to your letter No 789 dated the 16th February 1901 re the closing of the Fort Cemetery in the City of Bangalore, I am directed to forward herewith copies of the marginally noted papers, from which it will be seen that the closing of the Cemetery in question was first ordered under the Epidemic Diseases Regulation of 1897, so far back as the 19th September 1898, that a new site was selected and intimated to the Clergyman or Minister in charge in November 1898, that on receipt of a letter dated 8th November 1898 from the Revd Muspratt, Chaplain of All Saints' Parsonage, a report was called for with the result that the construction of walls round the new site was ordered to be undertaken from State Funds in December 1898, that thereupon an estimate for the walls was received and sanctioned by the Durbar on the 25th of April 1899, that there has unfortunately been a delay in carrying out this work and that

burials having continued to take place in the Cemetery in spite of the prohibition mentioned above, the Durbar, in October last, on the representation of the City Municipal Commission, approved of the publication of a Certificate under Section 190 of the Municipal Regulations of 1871, closing the Cemetery in question. When this last order was passed, the Durbar were not aware that the work of walling off the new site had not been completed by the Municipal Authorities.

2 Orders have now been issued conveying the Durbar's displeasure at the delay and directing that this work should be pushed on and completed as quickly as possible, and that in the meantime, the prohibition against burials in the old Cemetery should be held in abeyance.

No 11759/Mis 3106 dated 5-3-1901

Copy of the above is forwarded to the President, of the Municipal Commission, Bangalore City, for information and guidance, with reference to correspondence ending with his letter No 148 dated the 25th February 1901 The President should see that the work of walling off the new site is completed at a very early date Government view with displeasure the inordinate delay of nearly two years which has been allowed to take place in carrying out so simple a work for which funds were provided by Government The closing of the Cemetery should not have been resolved upon by the Municipal Commission in August last, and recommended to Government in September last, without making any reference whatever to what had previously

transpired and when the new site had not yet been enclosed by a wall The Municipal Commission will now be good enough not to give effect to the prohibition, until the work is completed and intimation thereof given to the Chaplain
